I went shopping and visited these shops:

1. The teacher told us to buy a workbook. I went to the _____________. I also bought a ____________ and a ____________.

2. From the ____________ I bought some rolls for lunch.

3. Grandma is coming to visit next Sunday. She likes chicken and so I bought a frozen chicken from the ____________.

4. Mum asked me to go to the greengrocer to buy some ____________ and ________________.

5. I nearly forgot to buy _______________ and _______________. I bought these from the grocer.

6. At last I only had one shop to visit. This was the confectionery. I bought some ________________.
Paul goes shopping

Paul’s mother is sick. Paul has to help her so he goes shopping. He needs to buy some bread. Paul goes to the baker. There is no milk left and no eggs so he goes to the grocer. Julie, Paul’s sister, needs some copybooks. Paul has to go to the stationery. There is only one banana left so he goes to the greengrocer to buy some fruit. Dad is going to cook meat for lunch. The butcher sells meat. It is mum’s birthday today and Paul buys her a cake from the confectionery.

Answer these questions on your copybook:

1. Who sells meat?
2. Who sells pencils and rulers?
3. From where do we buy cakes?
4. Who sells potatoes, tomatoes and oranges?
5. From where do we buy cheese and eggs?
6. Who sells bread?
