

The Clock

M4

Look at me! I am a clock
Listen to my tick-a-tock

What's the time?
It's nearly noon
Dinner time is coming soon

Now it's two
And now it's three
No it's four
And time for tea

And now when all is done and said
Eight o'clock and time for bed

Ferrante

The Story of Time

M4

These are different clocks which people used as time went by. Can you label them?

water clock	sundial
mechanical clock	analogue clock
digital clock	hourglass

What's the time? *o'clock* or *half past*

What's the time? *o'clock* or *half past*

A) Write the story in order on your copybook.

1. I go to school at eight o'clock in the morning.
